Mantuan Downs bentonite resource - native title position resolved.

Pacific Enviromin Limited ("PEV") advises that its subsidiary company, Ipoh Pacific Resources Pty Ltd ("IPR"), the developer of the Mantuan Downs bentonite resource, has signed an agreement under the Native Title Act with the registered native title claimants over the Mantuan Downs area, the Bidjara 3 People.

Under the agreement, the Bidjara 3 People consent and agree to the grant of the Mantuan Downs mining lease to IPR.

In exchange, IPR shall provide an amount of \$10,000 to be used solely for training of the Bidjara 3 People, and will also promote contracting, employment and training opportunities for members of the Bidjara 3 People.

PEV is pleased that this agreement has been reached in a very amicable way and looks forward to assisting the Bidjara 3 People with employment opportunities once the Mantuan Downs mine is in operation.

Yours faithfully
